

## *BOM Classic - Trade Winds*

Size: approximately 30" x 36" plus borders

*Trade Winds* will be a 12 month program and the quilt will be approximately 30" x 36" plus a border. Each month you will receive a kit and pattern. The kit may include items such as: hand dyed wools and velvets, cotton and textural fabrics, ribbons and embellishing threads.

The kits for January, February and March will include additional embroidery threads so there is a nice stash to play with throughout the year. The program will also include a hand picked backing, binding and label.

**Please note:** Sue Spargo reserves the right to make changes to her design as she works through her creative process throughout the year. All kits are hand-dyed to our specifications. No substitutions of kit contents will be made.

As a requirement for the BOM program, you will need to have Sue Spargo's book [Creative Stitching Second Edition](#). Directions for the stitches used each month will be referenced by page numbers from this book. New stitches not found in the book will be illustrated in your monthly pattern.

In addition to each monthly kit, you will need various colors of wool and cotton threads for appliqué. These threads will be optional additions to your BOM packages. More details on threads will be discussed in a welcome newsletter for those who sign up for the program.
