

BOM Lite - This Must be the Place...

Size: 28.5" x 21.5" **or** 16.5" x 38.5"

This Must be the Place... will be a 12 month program and the quilt will be approximately 28.5" x 21.5" or 16.5" x 38.5". Each month you will receive a kit and pattern that will include hand dyed wools and cotton fabrics. Final kits will include a hand picked backing, binding and label.

Please note: Sue Spargo Folk-art Quilts reserves the right to make changes to the design at any point during the program. All kits are hand dyed to our specifications. No substitutions of kit contents will be made.

As a requirement for the BOM program, you will need to have Sue Spargo's book, Creative Stitching Second Edition. Directions for the stitches used each month will be referenced by page numbers from this book.

In addition to each monthly kit, you will need various colors of wool and cotton threads for appliquéd. These threads will be an optional add on to your January BOM package. More details on threads will be discussed in a welcome newsletter for those who sign up for the program.
